

§ 35.4115

the EPA a financial status report on SF-269 or on the appropriate State form if the State is administering the TAG Program.

(c) *Final report.* Each recipient shall submit to EPA a draft of the final report for review no later than 90 days prior to the end of the TAG project and a final report within 90 days of the end of the project. The report shall document TAG project activities over the entire period of grant support and shall describe the recipient's achievements with respect to stated TAG project purposes and objectives.

(Approved by the Office of Management and Budget under control number 2030-0020)

§ 35.4115 Availability of information.

Each recipient shall ensure that all final written products developed by a contractor for the recipient under its grant are disseminated by providing copies of such documents to EPA for the local Superfund information repository(ies).

§ 35.4120 Budget period.

The budget period may not exceed three years. A TAG project period may be comprised of more than one three-year budget period.

§ 35.4125 Federal facilities.

EPA will use the criteria found in § 35.4025 in evaluating the eligibility of any group of individuals who may be affected by a release or a threatened release at a Federal facility for a TAG under this subpart.

§ 35.4130 Conflict of interest and disclosure requirements.

(a) The recipient shall require each prospective contractor on any contract to provide, with its bid or proposal:

(1) Information on its financial and business relationship with all PRPs at the site, and with their parent companies, subsidiaries, affiliates, subcontractors, contractors, and current clients or attorneys and agents. This disclosure requirement encompasses past and anticipated financial and business relationships, including services related to any proposed or pending litigation, with such parties;

(2) Certification that, to the best of its knowledge and belief, it has dis-

closed such information or no such information exists; and

(3) A statement that it shall disclose immediately any such information discovered after submission of its bid or after award. The recipient shall evaluate such information and shall exclude any prospective contractor if the recipient determines the prospective contractor's conflict of interest is significant and cannot be avoided or otherwise resolved.

(b) Contractors and subcontractors may not be Technical Advisors to recipient groups at the same NPL site for which they are doing work for the Federal or State government or any other entity.
